

Let's Make Sure Everyone Counts!

# Point-in-Time Collection Drive

The Point-in-Time Count & Survey is a federally mandated, biennial count that helps us understand homelessness in our region and what it will take to help connect people to secure housing.

Our volunteers conduct a survey of persons experiencing homelessness to gather information that in turn helps us provide more stable housing options in the regions. As a thank you for participating in the interview, participants will be offered a useful package of basic essentials and hygiene items.

## Items We Need:

- Beanies/Knit Caps
- Rain Ponchos
- Toothbrushes/Toothpaste
- AA & AAA batteries
- Socks
- Gallon Sized Ziploc bags
- Deodorant
